CATALOGER — FRED L. LAKE

WELCOME TO SALE #52

You will note our new name on the cover of this catalog. After eleven years of being "Function Associates", we have changed our name to "Lake Books". Same people doing all of this, just a name that is more descriptive of what we do.

MAILING SITUATION

Many of you received the catalog for our sale #51 after the closing date of March 21, 2000. We mailed the catalogs during the last week of February via US Mail-Bulk Rate. Normally, bulk-rate mailing will take a maximum of three weeks for delivery, but this certainly did not happen in this case.

We have mailed this current catalog via US Mail First Class and this should bring the sale to everyone well in advance of the closing date. This has, of course, increased our mailing costs considerably and we are exploring ways to trim those costs.

If you would like to continue receiving our catalogs via First Class, we are offering the next five sales at Five Dollars ($5.00) total. This amount will also bring you all five prices realized lists whether you are a bidder or not. The figure of $1.00 per sale represents the actual difference in postage between the Bulk Mail rate and the First Class rate.

ON-LINE REPORT

We are currently supplying the catalog to several hundred people via email in one of three different formats. They are MS Word, WordPerfect and PDF. If you would like to try this method, please let us know.

Also in the works is a new web site that will have each sale catalog available for viewing as soon as it is produced and will feature a "search" function for quick reference capability. Hopefully, we will have the site ready in time for our sale #53 in July.

PAYPAL - CREDIT CARD PAYMENTS

We have used the payment service, PayPal, for several months now and can report that we have experienced no problems with it. If you would like to charge your payment to your MasterCard/Visa account, go to this Internet address:

https://secure.paypal.com/refer/pal=fredlake%40aol.com

Enjoy the sale and Good Luck with your bidding!

TERMS OF SALE

1. This is an unrestricted Mail Bid Sale. All lots will be sold to the highest bidder. Enter your bid by lot number. Please feel free to bid as much as you wish on each lot, with the realization that all bids will be treated as limits and all lots will be sold below those bids as competition dictates. Bids that are not entered in good faith or are deemed to be totally ridiculous will be refused at the cataloger's discretion. Prices listed are estimates only.

2. Closing date for this sale is Tuesday, May 23, 2000 at 5:00 P.M. (EDT). Email and FAX bids will also be accepted until that time. Tie bids will be awarded to the earliest bid received. Bids received after the closing time will not be honored.

3. Bidders who are unknown to us are requested to supply two trade references prior to the sale or submit a deposit equal to twenty-five percent (25%) of their total bid.

4. A ten percent (10%) Buyer's Fee will be added to each lot won. **A packing charge of seventy-five cents per lot (minimum $3.00) plus shipping charges will be added.**

5. TERMS: Cash or check, payable in U.S. funds. Payment is due upon notification of successful bids. A late charge of $1.50 per month will be added to all invoices over 30 days. Title to all lots remains with Function Associates until paid for in full. Delivery may be postponed until full payment is received, at the discretion of the cataloger.

6. Unsuccessful bidders will be notified by mail in a prompt manner. We recognize the importance of liquidity of funds and will return deposits on a priority basis.

7. A Prices Realized List will be mailed to each bidder. A copy of the prices realized may be ordered for delivery after the sale. The price is one dollar ($1.00) for those persons who are not bidders.

8. Mail Bid Sales are not approval sales. No lot may be returned without written authorization and this must be requested within seven days after receipt of lots purchased.

9. All books are as described. Any errors or typographical mistakes will be happily corrected.

10. The cataloger has attempted to describe the condition of each lot as to signs of wear. If no descriptor is noted, it may be assumed that the lot is in Fine(F) to Very Fine(VF) condition.

11. Bids in odd amounts will be rounded up to the nearest half dollar increment.

12. Telephone bids are accepted. If you so desire, you will be informed as to whether your first bid is a successful bid or not. A second bid may then be offered, but with the provision that this second bid will not be reduced as competition dictates.
